DAILY BRIEF

25X1

Cyprus: Peace appears to be slowly returning to Cyprus with only a few exchanges of gunfire occurring yesterday.

Representatives of the British, Greek, and Turkish governments and of the two Cypriot communities now have been brought together in a political liaison committee. The British have failed to establish joint British-Greek-Turkish patrols to police the cease-fire, however. British patrols have occupied additional strong points between the Greek and Turkish quarters in Nicosia.

Both ethnic communities discount the possibility of returning to the political status quo ante. President Makarios, who anticipates the support of Athens, continues to call for revising the constitution which he terms "unworkable."

There is also growing support in Athens and among Greek Cypriot leaders for a reduction of both Greek and Turkish commitments on the island --including the two military garrisons--in favor of a unilateral British guarantee of Cypriot independence.

However, Turkish Cypriots, with Ankara's support, have revived their demands for partition of the island. Turkish Foreign Minister Erkin has told the US ambassador that partition is only one of several possibilities but maintains that some "radical" solution is necessary.

NOTES

25X1

25X1

Communist China - Mexico: Communist China has placed a \$28 million order for 200,000 bales of Mexican cotton for delivery during 1964, according to an announcement by Chinese officials visiting Mexico. This contract would account for about 20 percent of Mexico's anticipated 1964 cotton exports. Aside from China's 1963 purchases of wheat, amounting to about \$18 million, Sino-Mexican trade until now has been insignificant.
